

NNDKP RECKOGNIZED LEADER BY CHAMBERS EUROPE

Law Firm to be Ranked the First in Seven out of Eight Practice Areas

Bucharest, May 16th 2007 - Nestor Nestor Diclescu Kingston Petersen (NNDKP) announced today that Chambers Europe ranked our firm the first, in seven of the eight practice areas it researched in Romania.

Chambers Europe, the European version of the prestigious Chambers & Partners international legal guide, was launched last night in several of Europe's capitals.

According to Chambers Europe, NNDKP was ranked the first in Competition/Antitrust, Corporate/M&A, Dispute Resolution, Energy & Natural Resources, Intellectual Property, Real Estate. The firm was ranked second in Employment.

Chambers & Partners annually ranks law firms and individual lawyers on a scale of 1 to 6, where 1 stands for the highest. The qualities on which rankings are assessed include technical legal ability, professional conduct, client service, commercial awareness/astuteness, diligence, commitment and other qualities most valued by the client. Editorial comment is also derived from the research, with quotations used when they sum up the prevailing opinion of the market. The rankings and editorial comment about lawyers are independent and objective and inclusion in this section of the guide is based solely on the research team's findings.

"We are more than happy to see that our team's efforts, hard work and dedication are acknowledged and I would like to congratulate all of them for this performance. We appreciate as well Chambers Europe's objective research and the way it reflects the reality on the Romanian market", declared Mr. Ion Nestor, one of the firm's Managing Partners.

The global edition of Chambers & Partners also ranks NNDKP the first in the two practice areas they research for Romania, Banking & Finance, Corporate/M&A.

Chambers Europe's rankings confirm previous acknowledgements from prestigious legal directories, such as Legal 500, who ranked NNDKP the first in seven out of eight practice areas they researched for Romania (Banking, finance and capital markets, Corporate and M&A, Dispute resolution, IT, telecoms and media, Privatisation, Project finance, Real estate and construction).
